From The Principal's Desk

NEVER LET YOUR FEAR OF FAILURE
CONQUER YOUR ABILITY TO SUCCEED.

"Failure builds character." We have all heard the statement many times, but what does it mean? Failure and the fear of it, is a natural ingredient of life and when confronted with it, it is at the moment that we can have the greatest impact on our success. It is easy to succeed when everything goes our way; but when you push yourself, go the extra step, and try new things, you will find what you are made of. Where would we be if Abraham Lincoln did not stand behind his convictions, or if Gandhi stated, I am only one man how much of an impact can I have?

As you venture out into a brave new world, you will be confronted with failure. Your ability to cope with these failures will determine your character. Character is the one thing they cannot take away from you. You created it; you honed it; and you live it daily. You will work hard in whatever you choose, but your character will determine true success. In school, you learned to have respect and dignity for others; as you journey on through life, you will see the effects of your character on others.

Enjoy your years ahead; they are special. Even in times of uncertainty or fear of what lies ahead, remember that your moral fiber will guide you. In the future, you will discover love and happiness; enjoy it and cherish it, as it will be a reflection of your character.

On behalf of our faculty, staff and the East Windsor community,
we wish you the best. Congratulations.

Dedication

We, the class of 2005, would like to dedicate this yearbook to our class advisors, Miss Orefice and Mrs. Wilson. Through the past four years, they have provided us with much guidance and support. We thank them for being a constant presence during our high school careers. They have helped at all of our events such as car washes, bake sales, Italian ice sales, hall decorating, ring meetings, executive board meetings, prom and banquet meetings and all other senior activities. From the very start of our journey, Mrs. Wilson has been our peaceful negotiator. Her ability to listen to our conflicting ideas and somehow find common ground was most helpful. Her never-ending commitment to our class has kept us strong. The creative thoughts and organization skills of Miss Orefice have helped us get to where we are today. In addition, her upbeat attitude has made getting here a joy. Every event has been a reflection of her time and dedication. The senior class is grateful for all our advisors have done. They have served as a positive influences in our lives and have taught us to believe in our dreams. As we enter the next phase of our lives, we will never forget the memories we have shared with Mrs. Wilson and Miss Orefice.

Class History

Once upon a time, in the far away Kingdom of East Windsor, there lived the Class of 2005. This class was about to embark on an amazing four-year journey together. Two fairy godmothers, by the names of Joy and Sharon, would help them slay any dragons that came their way and bring a little magic into their lives. During a town meeting, three, fearless, young damsels stepped out from the crowd to assist the godmothers with the duties of the Kingdom. These three were Brittany Munroe, Ashley Welton and Kristy Signor. In order to generate spirit, the girls decided to decorate the town as a musical extravaganza. During the Town Faire, the class sold a frozen fruit delight in the flavors of lemon and watermelon.

The next year, the town elected new officials. These leaders were Ashley Welton, Ashley O'Brien, Meghan Zern, Casey Sullivan and Kristy Signor. They decided to symbolize the town's unity with bands of gold, made by the jewelers of Balfour. Unexpectedly, a wicked witch cast a spell over the kingdom, turning the halls into an arctic tundra. The young damsels did not fear however, for the fairy godmothers waved their magic wands and melted the tundra away. Using this to their advantage, they used the ice to make their frozen delight once again for the Faire. In addition to this, they also sold decadent sweets to continue raising funds for the upcoming ball.

The next year, it was finally time to celebrate, but the fairy godmothers would need additional leaders to help them. Ashley Welton, Ashley O'Brien, Connie Vong, Casey Sullivan, Brittany Munroe and Kristy Signor rode in on white horses with good news from a far off land. The great castle of Chez Josef would be the place to celebrate their three years together. Allyson Pitney, Stephanie Wrona and Bretton Drake were chosen to dedicate themselves entirely to the planning of this ball. They ensured that it would be elegant and festive. Meanwhile, the rest of the kingdom paid a tribute to the glamorous, faraway city of New York, in a competition against surrounding kingdoms. Delightfully, they were the victors of this challenge and the prize was a feast of doughnuts and bagels for the entire kingdom to enjoy. Alas, it was May 1st, the day they had all waited for. Horse-drawn carriages pulled up to the castle of Chez Josef. Handsome gentlemen stepped out and assisted their beautiful ladies dressed in the finest of gowns. They danced and dined to celebrate this "Moment in Time." The servants selected the Royal Court of the ball. King Larry Albert was chosen with his Princes, Daniel Muir, William Riggott, Adam Tetro and Jason Buden. Queen Casey Sullivan and her Princesses, Kristy Signor, Brittany Munroe, Burgandee Schley and Kerry Stocker were also crowned. When the clock struck 11:30 PM, it was time to flee the castle.

The class was about to enter its final year in the kingdom. Leading the way were David Hastings, Ashley O'Brien, Meghan Zern, Casey Sullivan, Brittany Munroe and Kristy Signor. Together they united with the rest of the class in selling pies, beauty products, magazines, frozen delights and anything else needed to raise funds for the celebration of their graduation. Funds were raised for other exciting events for the kingdom to take part in to rejoice over their last year together. There was an outing to High Meadows and a lavish ball. The ball was held at the Sheraton upon Bradley, where they celebrated "Bella Notte." Soon after, the people of the kingdom graduated and received scrolls that certified all they had learned. At the ceremony, they were honored to have Sir George Thomas deliver the commencement speech. The fairy godmothers looked at this accomplished class with great pride. Together, the graduates enjoyed one final night as a class by staying up all night at a party sponsored by Graduate and Celebrate. It was now time for the people of the kingdom to part ways and go forth into the future to experience new adventures. However, they will always remember the friends they made and the memories they shared. It is wished that they will all live happily ever after!

They held several fundraisers including bake sales and selling Italian Ice at Community Day. The seniors enjoyed their class outing at High Meadows on May 31, 2005. The outstanding efforts of the banquet committee resulted in a fun-filled night at the Sheraton Hotel In Windsor Locks on June 10, 2005.

Advisors:
Mrs. Arnold & Ms. Orefice**

A peer mediator is a student who has been trained to conduct mediation sessions. The mediator does not take sides, decides who is right or wrong or makes decisions for the disputants. Mediators help people talk to each other and work together to find a solution fair to both sides of the dispute at hand. They are there to help people resolve differences because they might better understand the disputants' points of view.

Yet, day by day, this is one life's strand;

It gathers joy, makes the dark days bright;
And gives us at least a lovely light.

**The Leo Club is an official activity of the Lions Clubs International that encourages young men and women to serve others in the community and around the world.**

**The East Windsor Leo Club began in September 2001 and has been active in community fundraisers, assisting children in Afghanistan and supporting the Red Cross Blood Drives. The Leo's are preparing a local band concert with upcoming local rock groups that will raise money for the training and purchase of a community "service dog" that will assist handicapped persons in town.**

**Leo Clubs include regular meetings, projects and social functions. The Leo motto—Leadership, Experience, Opportunity—is fulfilled as members work together in response to the needs of others. There are presently 53 active Leo Club members in the East Windsor branch.**

Mr. Croft

I'm going to miss your  
classes. I'll never forget  
World Civ and APUSH. You  
are one of a kind and  
I'll miss you. Italy ~~FA~~ was  
the best trip ever. I can't  
wait to go back.

Good luck with  
everything! & always,

Casey  
Sullivan xoxo

Mr. Croft,

I have learned more  
than I expected in  
your class. Meeting of  
the Minds was great.  
Fighting with Casey B. over  
women's rights was so much  
fun. Good luck next year!  
Courtney

Mr Croft,

Thank you for An amazing  
2 1/2 <sup>years</sup> of Social Studies and  
7 seasons of track. I will  
always think about it and  
write it down. Mystery  
Runs were the Best.

~~Mr Croft~~ Thank You for  
the Popicles. I will  
never forget you for Better  
or Worse. I just wished  
you could Remember my Name.

Andrew Win

Hey Mr. Croft,

To start off I just wanted to  
say thank you for everything, for  
putting up with me as a student  
and helping me develop as  
an athlete. Indoor Track was  
so much fun and I learned  
a lot from you and Coach  
O'Brien. You two are definitely  
the best coaches anyone could  
have which shows through the  
boys track record this year.  
I'll miss seeing you around  
and I still remember World  
Civ and APUSH being fun classes.  
Despite what you may think, I really  
did learn a lot, I even remember  
the Triangle Shirt Company Fire!

~ Connie K. Vong

p.s. I'll never know how you managed  
to be right there everytime I was eating all that junk at the track meets haha.

Mr. Croft,  
Despite what you may think,  
I enjoyed APUSH. Looking back,  
on it I learned an incredible amount.  
Thank you. Also thank you for being  
a great track coach. I'll always remember  
you.  
-Matt Slick

Mr Croft,

Managing your indoor track  
team was hell. However, I  
enjoyed working with  
you, and it is something  
I will never forget. I  
will be back to visit  
the track team. I hope  
you have a great summer.  
George Martin

Mr. Croft,

Thanks for being a great  
teacher and sharing your stories  
with the class. It will be different  
next year not having you as a  
teacher.

Danielle Hewey

Hey Mr. Croft,  
this year in APUSH  
was interesting with  
me laughing all the  
time and you looking  
at me suspiciously!  
Thanks for the great year!  
allison ~~St. Germain~~

Mr Croft-

Thank you so much for such  
a great year. I don't think  
I've ever learned so much  
about history. I won't forget  
your class!

xoxo

Meg Nelson

P.S. Thanks again for being my  
NHS sponsor, it meant a great deal to me!

Mr. Croft,

Thank you for a great year in  
APUSH. Even though I was not a  
star I appreciate this class and  
all you did for me. I won't  
forget your class.

Matt Robese

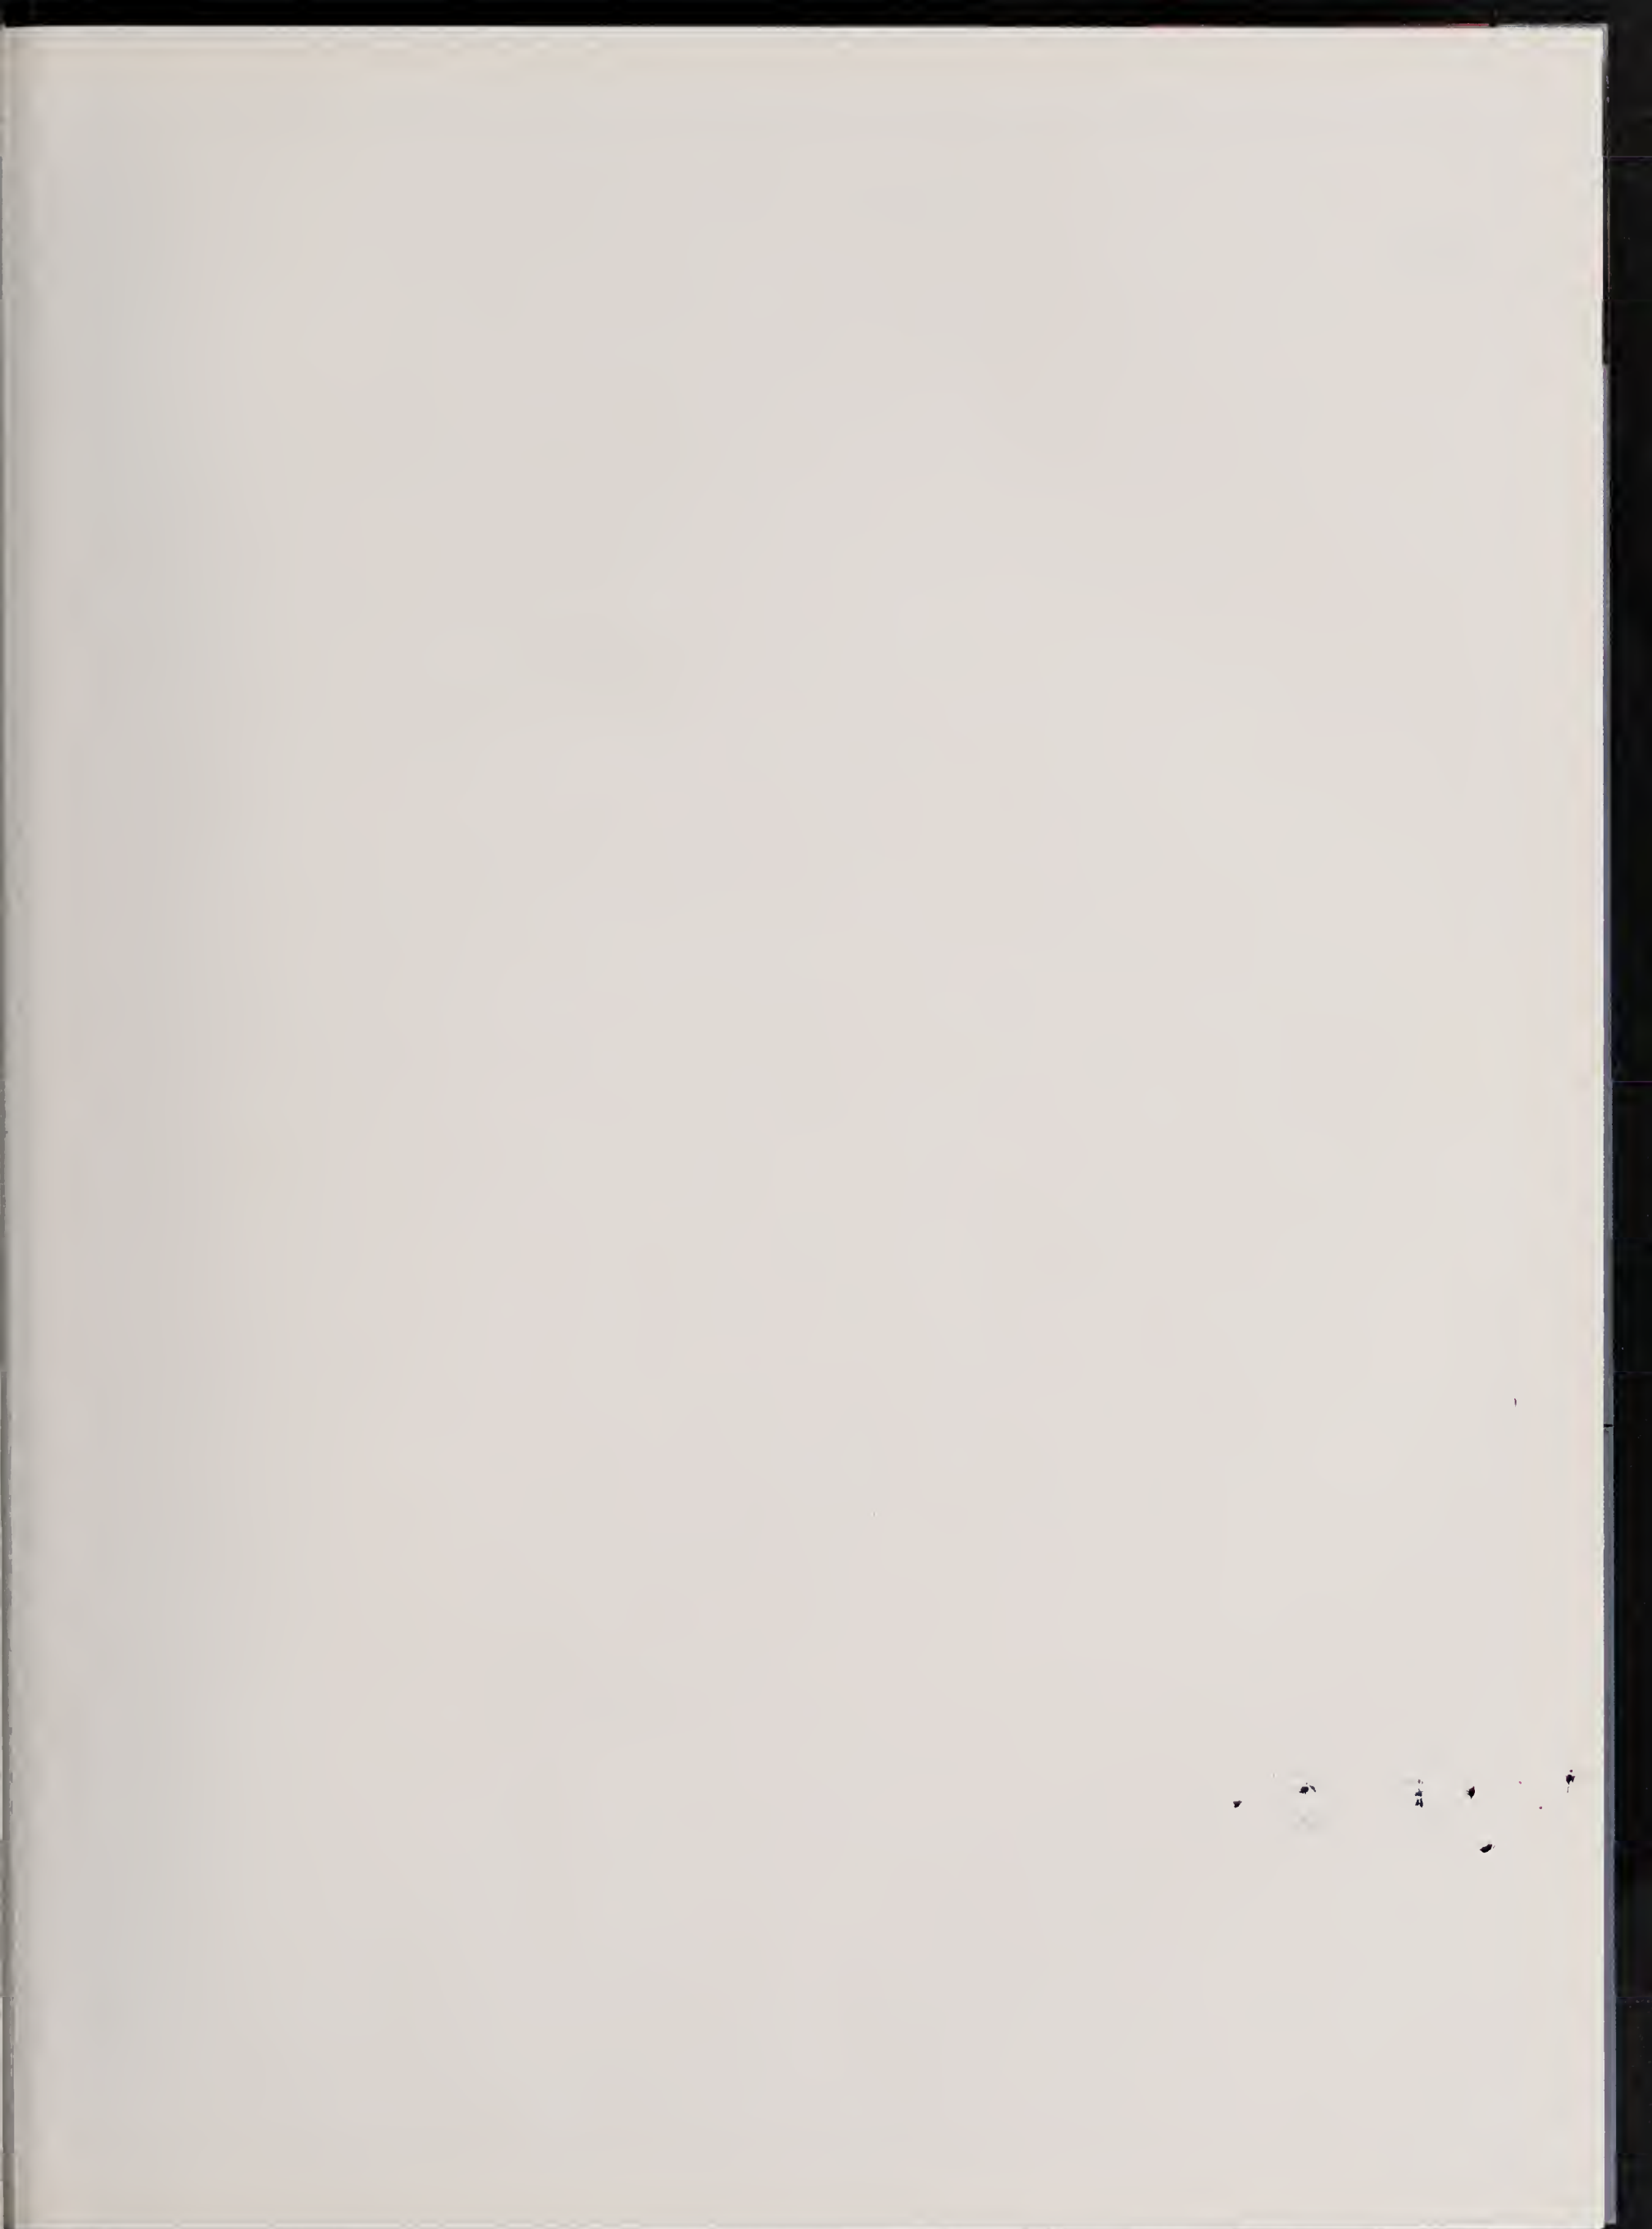

Hey Mr. Croft!

Well I've known you for years and I'll  
know you for 1 more. But don't worry when I  
graduate - I'll come and visit you. We have a lot  
of good memories which I will never forget.

See ya later

# NEWS

## THE NATURE OF THE BEAST

We started the year watching Mother Nature repeatedly batter the US east coast with hurricanes. Then we watched as Martha Stewart weathered her court battle. And the climate in Iraq became hostile prior to the country's first democratic election. But all of that seemed trivial after the Decemer 26 tsunamis in South Asia. Not only were they the biggest news event of the year, but they rank among the most devastating natural disasters in history.

### FLORIDA HURRICANES ▶

Schools along the east coast have a hard time getting started because of hurricanes Bonnie, Charley, Danielle, Earl, Frances, Ivan and Jeanne.

### ASIAN TSUNAMI

Earthquakes in the seabed of the Indian Ocean measuring 9.0 on the Richter scale trigger tsunamis all across South Asia. The tsunamis devastate villages and resorts in more than 10 countries, leaving over 280,000 people dead or missing.

### WAR IN IRAQ ▶

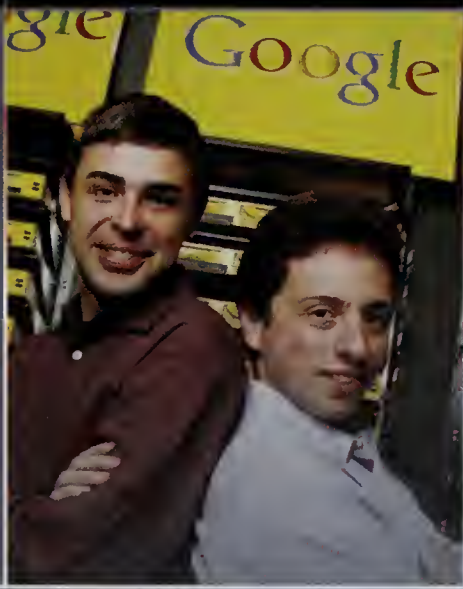

Major fighting continues in Iraq. As US forces try to bring democracy to Iraq, insurgents carry out a series of attacks discouraging Iraqis to vote in the country's first democratic election.

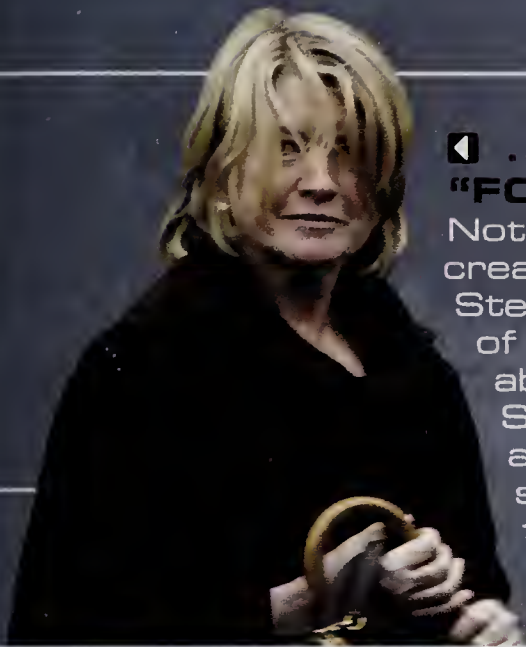

## SEARCH FOR ► "FORTUNES MADE..."

Google's co-founders Larry E. Page and Sergey Brin become billionaires overnight after their online search engine's stock goes public.

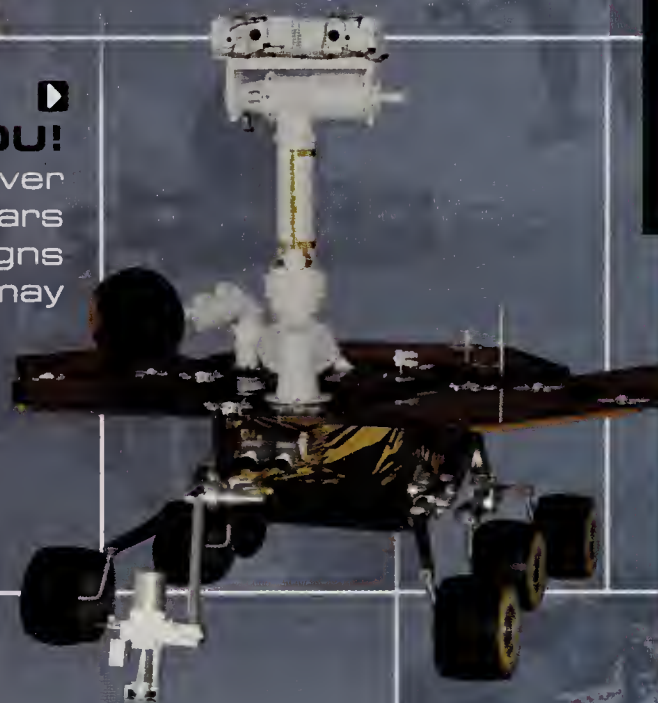

## ◀ ...THEN SEARCH FOR "FORTUNES LOST"

Not all stock market deals create billionaires. Martha Stewart was convicted of lying to investigators about her sale of ImClone Systems stock and serves a five-month prison sentence followed by five months under house arrest.

## WE'VE GOT SPIRIT, ► HOW 'BOUT YOU!

The Exploration Rover Spirit explores Mars and discovers signs of water, which may indicate life on the red planet.

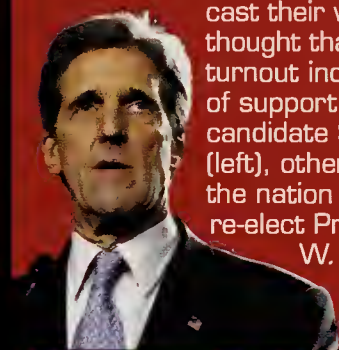

## ▲ OUT-OF-THIS-WORLD VACATIONS

Burt Rutan wins the \$10 million X-prize when his SpaceShipOne travels outside of Earth's atmosphere. Can tourism in space be far behind?

## ELECTION '04

The 2004 Presidential Election had the potential to be as close and controversial as the 2000 race. Nearly 120 million Americans voted on Election Day, the highest turnout since 1968. Some citizens waited in line for as long as five hours to cast their vote (below). Many thought that the high voter turnout indicated a surge of support for Democratic candidate Sen. John Kerry (left), others speculated that the nation was rallying to re-elect President George W. Bush (above).

And after the polls closed on November 2,

2004, many Americans went to sleep without knowing who their next President would be. Ohio was "too close to call," and held 20 electoral votes, enough to bring victory to either candidate. As the votes were counted, it became evident that Bush would carry Ohio with over 100,000 votes. Wanting to avoid a repeat of the 2000 election scandal, Sen. John Kerry called President Bush on the morning of November 3 to congratulate him on his victory.

## FROM ANTI-HEROES TO SUPERHEROES

This year kept us rooting for the underdog at the theater. We pledged allegiance to Average Joe's in dodgeball, we pined for Spongebob and Patrick to prevail over Plankton, and we campaigned with Napoleon to put Pedro in office as class president. The odds were stacked against Harry Potter, the incredible Parr family, and the Permian Panthers as well. Be it a big-budget blockbuster or an inexpensive indie-flick, as long as there's a good story along the way, we'll see our heroes through thick and thin until the credits begin to roll.

### DODGEBALL ▶

Ben Stiller strikes again, bringing the obscure sport of dodgeball to the silver screen in *Dodgeball: A True Underdog Story*.

### ◀ INCREDIBLE FAMILY

Mr. Incredible and the rest of the Parr family are called out of early retirement to save the world in *The Incredibles*.

### FRIDAY FEVER ▶

In *Friday Night Lights*, football is shown to be more than just a game for the Permian High Panthers of Odessa, Texas

◀ **FIRST DAUGHTER**  
Samantha Mackenzie just wants a normal college experience. But being the President's daughter makes her life anything but ordinary.

◀ **DYNAMITE EXPLODES**

After getting a lot of attention at independent film festivals, *Napoleon Dynamite* releases nationwide to sweet ticket sales. The high school anti-hero gets his friend Pedro elected as class president, and he's also pretty good with a bow staff.

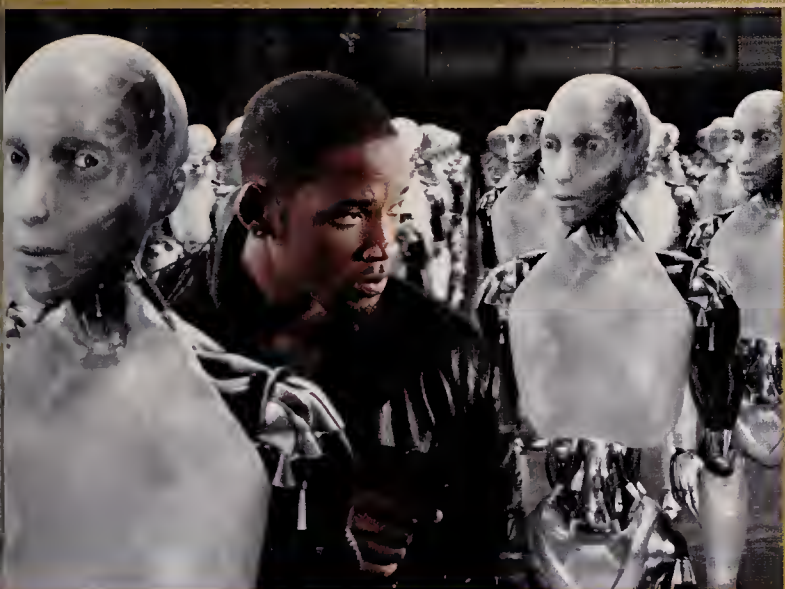

**HARRY POTTER III ▶**

Harry, Ron and Hermione return for their third year at Hogwarts, where the teens face a dangerous escaped prisoner and the equally foreboding Dementors.

**MOM, MEET MY OGRE ▶**

In *Shrek 2*, Shrek faces his biggest challenge yet: The in-laws. The newlyweds return from their honeymoon to find an invitation to meet Princess Fiona's parents in the kingdom of Far, Far Away.

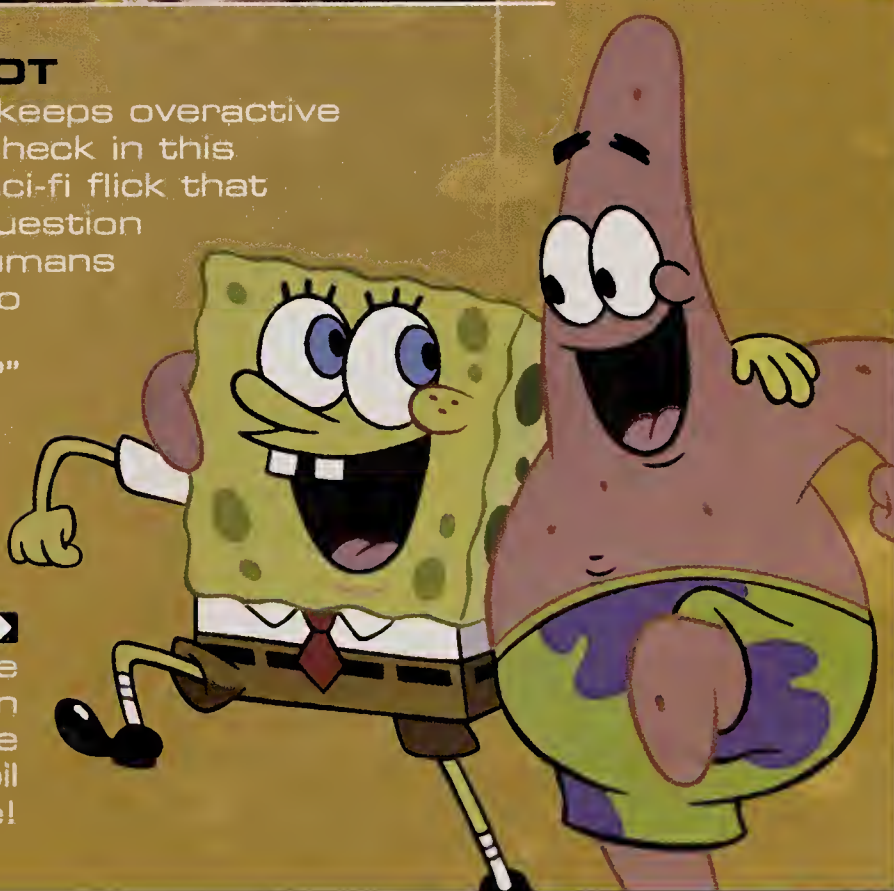

◀ **I, ROBOT**

Will Smith keeps overactive robots in check in this futuristic sci-fi flick that asks the question "What if humans become too dependant on robots?"

**BIGGER. BETTER. MORE ABSORBENT. ▶**

Moving to the big screen means more responsibilities for Spongebob and Patrick in *The Spongebob Squarepants Movie*. They have to rescue King Neptune's crown aaaaand foil Plankton's plan to steal the Krabby Patty recipe!

# SPORTS

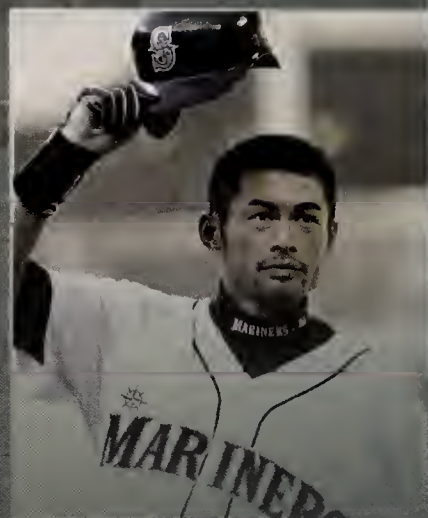

## IT'S HOW YOU PLAY THE GAME

Every year, athletes set out to break records set in years past. This year was no different, but brought added drama. Would the mighty BoSox break the Curse of the Bambino? Would Lance win six in a row? Would the Patriots win again? These questions weren't answered without a little bit of nail-biting. Hockey and basketball fans followed Court TV more closely than ESPN this year, hoping to see an end to the NHL lockout or hear the latest on the charges pressed against NBA players after the Staples Center brawl that occurred in November. How's THAT for drama!?

### ▲ SUPER BOWL XXXIX

For the third time in four years, the New England Patriots win the Super Bowl by three points, this time against the Philadelphia Eagles.

### ▲ HIT RECORDS

Ichiro Suzuki of the Seattle Mariners racks up a record 262 hits in a single season.

### ◀ IT'S GOTTA BE THE SOX!

The Boston Red Sox stage a dramatic 0-3 comeback against the New York Yankees in the American League Championship Series. They go on to sweep the St. Louis Cardinals 4-0 in the World Series, breaking the 86-year-old "Curse of the Bambino" and bringing a collective sigh of relief to Red Sox fans everywhere.

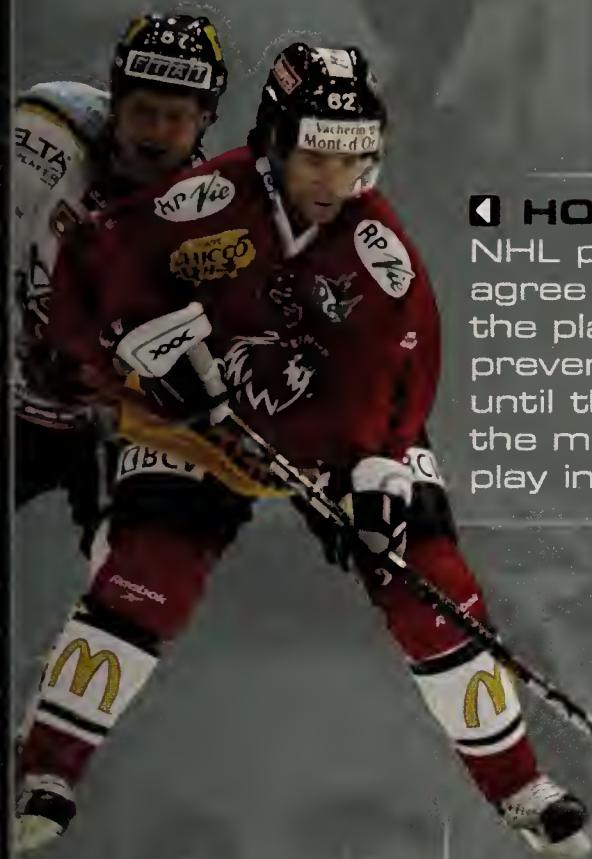

## ESPN TURNS 25 ▶

Alpha-anchor Chris Berman and the rest of the cable sports network's knowledge base celebrate ESPN's 25th birthday in 2004.

## ◀ HOCKEY LOCK-OUT

NHL players and owners can't agree on financial issues, so the players stage a lockout, preventing the NHL from playing until the issues are resolved. In the meantime, many NHL stars play in European leagues.

## GIRL ▶ POWER

During the 2004 X-Games, Lyn-Z Adams Hawkins wins the first women's vert ramp gold.

## ▶ BASKET BRAWL

Indiana Pacers player Ron Artest faces a misdemeanor charge in the brawl between fans and players during a game against the Detroit Pistons

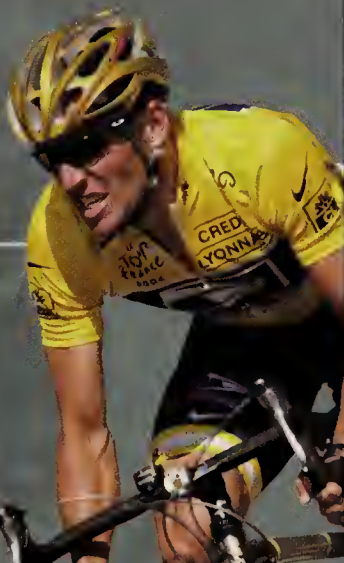

## ◀ FREDDY'S FOOTWORK

DC United's Freddy Adu becomes the youngest and highest-paid player in Major League Soccer. At only 15, Freddy scores five goals in his first season.

## CYCLING'S SIX-SHOOTER ▶

Cyclist Lance Armstrong puts his US Post Office-sponsored team in the record books by winning the Tour de France an unprecedented six consecutive times.

## OLYMPICS '04

In 2004 the Olympic Games returned to Greece, their birthplace. A total of 10,500 athletes from 202 countries competed, a record turnout despite speculation of terrorism and anti-Americanism. The United States took home more medals than any other country -103, 35 of them gold.

Mia Hamm (above), one of the most famous U.S. soccer stars, announced her retirement and blew a good-bye kiss to the crowd after her team secured a gold medal. "There are only a few times in your life when you get to write the final chapter the way you want," said Hamm about the USA's gold medal.

Justin Gatlin, Bernard Williams and Shawn Crawford (above, L-R) of the U.S. swept the men's 200-meter final, after their introduction generated boos and heckling from the crowd in Olympic Stadium. The fans were upset that the Grecian sprinter Kostas Kenteris wasn't allowed to compete due to drug charges.

# MUSIC

## ARTISTS ARE VARIOUS AND NEFARIOUS

Musicians often stay in the spotlight by breaking out of their mold and trying new things. This year, Sean "Puffy" Combs took the lead role in a Broadway play, Gwen Stefani took a break from No Doubt to release a solo album, and Green Day brought us their first concept album. But Ashlee Simpson's unexpected antics garnered the most attention: She was busted lip-synching on Saturday Night Live, and was later booed after her performance at the FedEx Orange Bowl.

### ▼ THE GREEN PARTY

Green Day releases their album *American Idiot*, showing a more mature, politically-minded side than we've seen in the past.

### ▲ RAISIN' THE ROOF

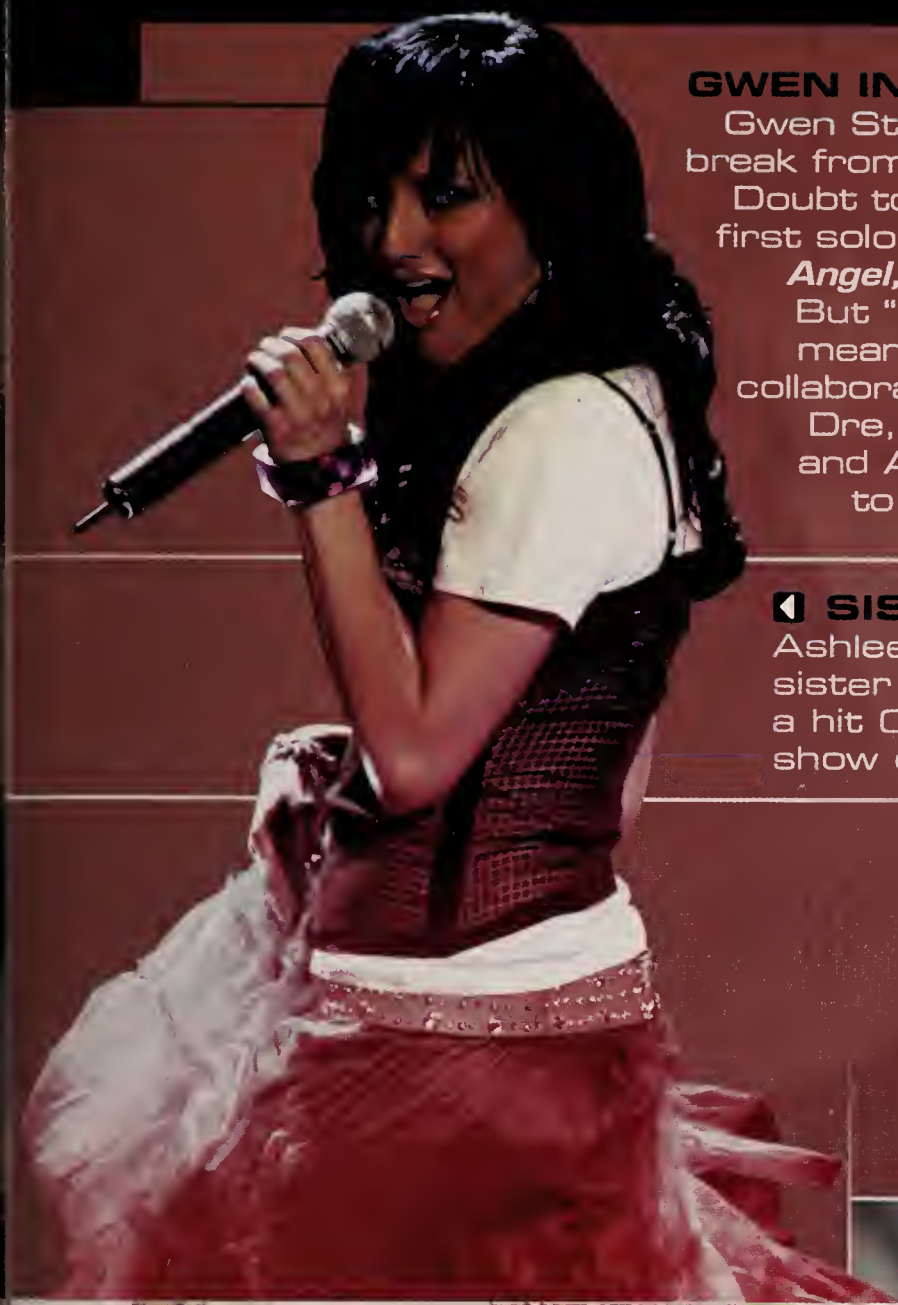

Sean Combs took off his VOTE OR DIE t-shirt to play the role of Walter Lee Younger in the Broadway production of *A Raisin In The Sun*.

▲ USHER SWEEPS UP  
R&B artist Usher wins big at the American Music Awards, MTV MVA's and Grammys.

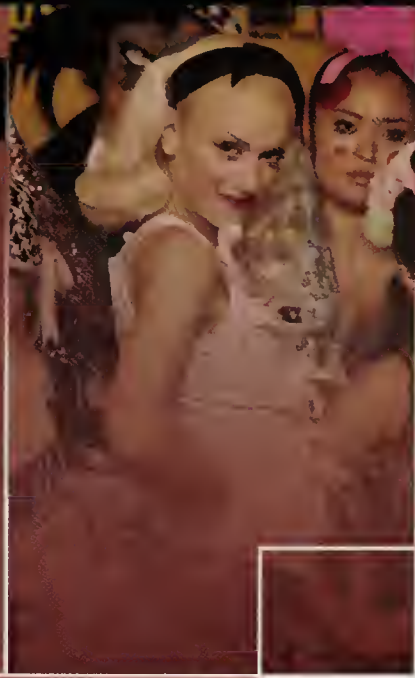

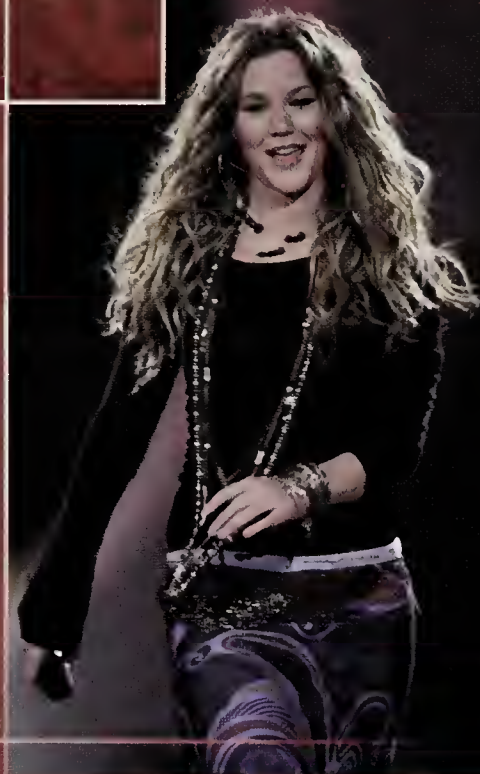

#### GWEN IN DOUBT ▶

Gwen Stefani takes a break from fronting No Doubt to release her first solo album, *Love, Angel, Music, Baby*. But "solo" doesn't mean "alone;" she collaborates with Dr. Dre, Linda Perry, and André 3000, to name a few.

#### ◀ SISTER ACT

Ashlee Simpson follows in her sister Jessica's footsteps with a hit CD and her own reality show on MTV.

#### JOSS STONE ▶

17-year-old British singer Joss Stone releases her second album, *Mind, Body and Soul*, completes a successful US tour and performs for VH1's *Divas 2004*.

#### ▶ RAP VAN WINKLE

After sleeping for six years without an album, The Beastie Boys release *To The 5 Boroughs*, and wake up to find that they are collectively almost 120 years old!

#### ◀ LORD OF THE LINE DANCE

Country artist Kenny Chesney tops charts with his CD *When The Sun Goes Down*.

#### RED ROCKERS ▶

Maroon 5 stay on tour, and stay on the iTunes "Most Downloaded" chart all year!

# TV

## PLENTY OF REASONS TO STAY HOME

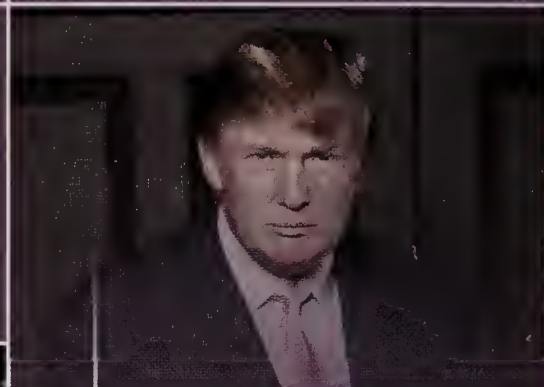

While there were still a slew of "Survivor-esque" reality shows on the tube this year, we also saw more and more renovation-driven reality programs as Americans took an interest in redecorating their homes or "pimping their rides." But there was also evidence that Hollywood hadn't written off its writers completely. Well-penned dramas like *CSI:NY* and *Lost* gave us a great escape from reality, while Comedy Central's *The Daily Show* gave the nightly news a slant that caused us to laugh out loud.

### ▼ BIKERS THAT BICKER

Reality renovation show *American Chopper* is a favorite among those who enjoy watching mechanics practice their craft, and those who enjoy seeing father and son argue while they work.

### "YOU'RE FIRED" ▶

In *The Apprentice*, competition and boardroom drama escalate until one winner is given a dream job with The Trump Organization and a six-figure salary.

### ◀ THE OUTLAW JESSE JAMES

Sparks fly as teams race to build hot rods and race cars in *Monster Garage*, hosted by Jesse James.

### WATCHING THE DETECTIVES ▶

This year CSI took their high-tech forensic investigations to the city that never sleeps in *CSI: New York*.

### WHERE ARE WE? ▶

*Lost* follows 48 castaways who try to survive on a deserted island. Luckily, none of them are named Gilligan.

### ◀ DAILY DOSE

Comedy Central's *The Daily Show with John Stewart* is America's most trusted name in fake news.

### THE TY ▶ THAT BINDS

Ty Pennington, host of *Extreme Makeover - Home Edition*, brings people together with completely renovated homes for deserving families.

### WHO NEEDS ▶ A TRAVEL AGENT?

Grab your best friend, sister, significant other or grandma; whoever you think would be the best teammate in *The Amazing Race*, an elimination-style race around the world for a million-dollar cash prize.

### ▼ JOEY

Joey Tribbiani trades "Friends" for family when he leaves Central Perk behind and heads for Hollywood, where he takes his nephew under his wing.

# TRENDS

## IT'S NOT SO BAD BEIN' TRENDY

Call it hip, popular or even conformist - this year's trends were more philanthropic than in years past. A little yellow bracelet raised big money for cancer research. A healthy diet has become so popular that fast-food restaurants are doing away with their "super-sized" menu items. And Ford unveiled the first Earth-friendly hybrid SUV to the delight of tree-hugging soccer moms everywhere.

### EASY TO SEE, HARD TO FIND ▶

The first five million of these Lance Armstrong Foundation bracelets sell out quickly and start a trend that raises over \$20 million in the fight against cancer.

### ◀ HOODIES OFF THE HOOK

Hoodies are a cozy alternative to wearing a jacket, and they can sport your favorite band, team, or even website!

### ▶ FAITHFUL READERS

NCV breaks the Bible down into easy-to-read magazine form. *Revolve* is for girls, *Refuel* is for boys.

## ◀ TWO COOL FOR SCHOOL

The Olsen twins turn 18 and head for college, but not before launching a clothing line for teens. Their summer job makes waaaaay more money than yours.

## GAMES THAT ROCK ▶

More and more bands are lending their music to video games. *Tony Hawk's Underground* wins the first MTV Video Music Award for Video Game Soundtrack.

## ◀ LOW-CARB

To attract low-carb dieters, fast-food restaurants start offering tortilla-wrapped menu items.

## ▲ LITTLE BOW WOW

Paris Hilton, Britney Spears, Milla Jovovich and P. Diddy have been trailblazers in the trend of teeny-tiny pocket-dogs.
